Dear Jerry!  
"Dogs"

I hope that you will  
always think the good of me.  
I'm very glad we had our time  
to spend with each other. Even  
though we had our fights, don't  
ever think that I didn't love you!  
When I used to say it, I really meant  
it. I just hope that you can believe me.  
Borne a favor and tell Eddie that I'm sorry  
about taking his space. If I have hurt  
you I am very sorry. I'm real glad that  
we can still be friends. Although we  
didn't talk right away after we broke up,  
I wanted to. I hope you can forgive me & believe  
that I hurted just as much as you did. I  
never meant to hurt you! Have a great  
summer!! All I can say is that I  
hope you find someone to love & someone  
to love you in a way that I couldn't.  
Please, be confident and try to trust  
them in the way that you trusted me.  
Don't give up that easy because you  
really, really, really deserve it! \*You  
will always be a special part of

Okay Mrs. Lindo,

What can I wish for you?! Get me see?! I wish you FAIR (NOT too much or else your head will be in Clouds), FORTUNE (NOT too much or else you'll have a lot of B.i.L.L.s!), and much, much success!!

Mrs. Lindo, you possess a heart of gold that can never be replaced, nor can ever be found in any other person! You've taught me and these past 3 years and I appreciate it. I only wish we didn't have to go through the hardships, but that's life!! I'll never forget how you used to blame me for punching you (you know where!) when it was your other friends! (smile) Remember my smile!

Good luck in your senior year!

A freshman — no one can dispute  
 That they are awfully cute.

Once they were the leaders of the pack  
 Now they are at the bottom of the stack.

They must slowly climb the ladder again  
 The ladder filled with brightness and some pain.

But they will not complain nor fret  
 For they know they will be seniors yet.

As Juniors we are firmly ensconced in our lair  
Secure in the knowledge that our friends are there.

Everyone says we know the ropes  
It's true — we do, and we've set our hopes.

We've learned to listen, to give, to share.  
We expect a lot because we care.

Our judgment has matured and we've become wise  
And in the midst of the year our spirits will rise.

We know the scope of all things big and small  
For we are juniors after all.

Dear Judy  
(my baby)

Well it looks like we've made it through 3 yrs and for now to say that these 3 yrs have been the best of whole entire life and the reason is because I met you!!

Now, you don't know how much you mean to me!! (sounds a little gay but) you like a brother to me you help me give me things and especially listen to my boring yipps and answer me if you can and I love you for that, then you a friend who again listens to my problems and you try to cheer me up or any way you can. for other words what I want to say is that you're the...

GREATEST!!

and that I couldn't make it through senior and the rest of my life without you!!! and for all what you did for me like the Nelson especially!!!

well all I can say is that you better call me this summer and well definitely hang out this summer take care and remember call

I can hardly believe that the many months of work, which fill the pages of this book, are over. The long hours the staff spent looking through pictures, planning layouts and searching for appropriate words to express our ideas, are all past us now. I will never forget the laughter, confusion, satisfaction and friendships that were shared by everyone.

In ending this yearbook, I would like to acknowledge and to express my deepest thanks to the many individuals who helped make this book possible. My appreciation to:

... Dale Alger, our yearbook representative, for his time, guidance, and friendship.

... The photographers of Lorstan-Thomas for their high-quality photography.

... Miss O'Keefe for her financial expertise.

... The entire Yearbook Staff for their time, patience, and creativity. It was an honor and a privilege to work with you.

... Sister Ann Eigenbauer and Sister Jane Tyler for their advice, help, and long hours of dedicated work.

5/26/81.

hindo,

Finally it's time for me to leave this place  
I'm really gonna miss it, but most of all  
I'm gonna miss all the good friends,  
like you, that I'll leave behind.

You've really meant a lot to me over these  
3 years. Even though we always choked  
around & never really did any really  
serious talking, I always knew that if the  
time would come when I did need  
someone, I could talk to you.

I hope I see you over the Summer! This  
isn't a goodbye. Call me up anytime  
(828-2084) just to say Hello or you need a  
friend. I'm always around to lend a  
sympathetic ear or make special friends  
laugh when they need some cheering up.

I'll really miss you & never forget you.  
I hope next year is as great for you as it  
was for me. Make it last & make it your  
best. Good Luck in the future &

Always. Strive for the best

You deserve it!!!

Love Ya A lot,

Diana
